

VL53L0X\_Driver

```
graph TD; subgraph VL53L0X_Driver; VL53L0X -- 3 --> include; end;
```

The diagram illustrates a hierarchical or dependency structure. It features a large outer rectangle labeled 'VL53L0X\_Driver'. Inside this rectangle is a smaller rectangle labeled 'VL53L0X'. Below the 'VL53L0X' rectangle is a white rectangle labeled 'include'. A vertical arrow points from the 'VL53L0X' rectangle down to the 'include' rectangle, with the number '3' positioned to the right of the arrow's shaft.
