List of available Power  
Modes

```
graph LR; A[VL53L0X Defines] --> B[List of available Power Modes]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'VL53L0X Defines'. The box on the right is gray with a black border and contains the text 'List of available Power Modes' on two lines. A black arrow points from the right side of the white box to the left side of the gray box, indicating a relationship or flow from the defines to the power modes.
