Definition

VL53L0X Interrupt Functions

```
graph LR; A[VL53L0X Interrupt Functions] --> B[VL53L0X cut1.1 Function Definition]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'VL53L0X cut1.1 Function Definition'. The box on the right is gray with a black border and contains the text 'VL53L0X Interrupt Functions'. A black arrow points from the right box to the left box, indicating a relationship or dependency from the interrupt functions to the function definition.
