Definition

VL53L0X General Functions

```
graph LR; A[VL53L0X General Functions] --> B[VL53L0X cut1.1 Function Definition]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the right is shaded gray and contains the text 'VL53L0X General Functions'. The box on the left is white with a black border and contains the text 'VL53L0X cut1.1 Function Definition'. A black arrow points from the right box to the left box, indicating a relationship or flow from the general functions to the specific cut1.1 function definition.
