

VL53L0X cut1.1 Device
Specific Defines

Define Registers

```
graph LR; A[Define Registers] --> B[VL53L0X cut1.1 Device Specific Defines]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'VL53L0X cut1.1 Device Specific Defines'. The box on the right is gray with a black border and contains the text 'Define Registers'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or dependency from the registers to the device-specific defines.
